To-Do

Before puppy is home:

- | | |
|---|--|
| <input type="checkbox"/> Purchase supplies listed above | <input type="checkbox"/> Find a Veterinarian |
| <input type="checkbox"/> Choose a name | <input type="checkbox"/> Find a Dog Groomer |
| <input type="checkbox"/> Puppy Proof the home | <input type="checkbox"/> Book in Puppy School or a Trainer |

When puppy is home:

- Set up a separate savings account and/or pet insurance
- Update microchip information
- Start a schedule and get into a routine
- Organise a Pamper session (think parasite treatment and all things grooming)
- Take time for puppy training sessions
- Book in vaccines & boosters
