To-Do

Before kitten is home:

- Purchase supplies listed above
- Choose a name
- Kitten-proof the home
- Find a Veterinarian
- Set up the kitten's area

When kitten is home:

- Set up a separate savings account and/or pet insurance
- Update microchip information
- Start a schedule and get into a routine
- Organise a Pamper session (think parasite treatment and brushing)
- Take time for toilet training sessions
- Book in vaccines & boosters
